PROPOSITION 85

250 word REBUTTAL ARGUMENT to OPPOSITION to PROPOSITION 85

When parents learn their daughter is pregnant, *ALMOST ALL RESPOND WITH LOVE AND SUPPORT.*

PROPOSITION 85 ***OFFERS CLEAR BENEFITS TO YOUNG GIRLS:***

- The parent can assist her daughter in selecting a doctor. Many abortion clinics employ doctors who have been *disciplined by the medical board* for *INCOMPETENCE, NEGLIGENCE, CRIMINAL CONVICTIONS, OR SEXUAL MISCONDUCT.* Many have been *cited by health officials for UNSAFE CONDITIONS.*
- An informed parent can *respond quickly* to post-abortion complications. Abortion complications can result in permanent injury, even death. Teens who have *secret abortions* often *delay seeking treatment.* *PARENTS WHO DON'T KNOW, CAN'T HELP.*
- Parents who learn their daughters are *victims of sexual assaults* can *intervene to protect them.* Many abortion providers *CHOOSE NOT TO REPORT SEXUAL ABUSE, abandoning these girls to FURTHER SEXUAL ABUSE.*

In the rare case of familial abuse, a court will permit a minor to obtain an abortion without notifying a parent – then *notify child protective services* so she can be helped, *NOT LEFT VULNERABLE TO FURTHER HARM.*

A parent of two young teenage daughters, GOVERNOR ARNOLD SCHWARZENEGGER said it would be “...*THE ULTIMATE OF BEING OUTRAGED...*” if someone took *his* daughter for *a secret abortion*.

OVER THIRTY STATES already have laws like PROPOSITION 85, and THEIR EXPERIENCE SHOWS THESE LAWS *REDUCE MINORS' PREGNANCY AND ABORTION RATES WITHOUT DANGER AND HARM TO MINORS.*

Currently the state PAYS FOR SECRET ABORTIONS FOR MINOR GIRLS. *PUT PARENTS IN CHARGE, NOT THE GOVERNMENT!*
